

# GOOD GRIPS®

## INSTRUCTIONS FOR USE

### HOW TO FILL

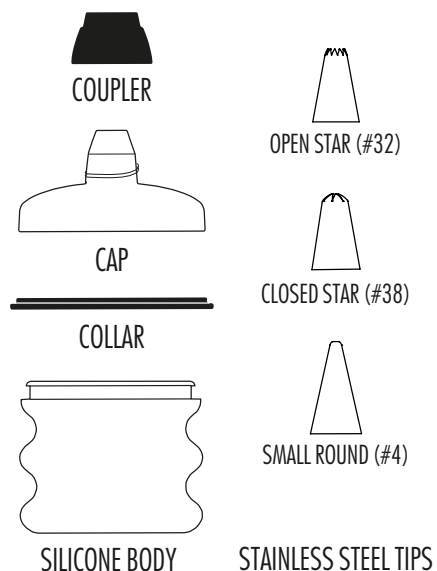

1. To open the Bottle, hold onto the collar and twist off the cap.
2. Fill the silicone body with icing. While holding onto the collar, twist the cap back on.  
**Note:** While filling, do not hold from the silicone body to avoid squeezing the icing out.
3. Remove and change tips by unscrewing the coupler.

### HOW TO CLEAN

Separate the silicone body, collar, cap and coupler. Wash all parts with warm soapy water or in the dishwasher and dry completely. For easier cleaning, invert the silicone body after removing the cap and collar.

### HOW TO ASSEMBLE

1. Place the collar onto the silicone body.
2. While holding onto the collar, twist the cap on.
3. Place desired tip onto the cap and secure by twisting on the coupler.
